Augie Tips Buena Vista 81-64 in Season Opener; "Swannie" Gets 25

By DOUG HOKENSTAD
Augie has begun its season on a victorious note by knocking off Buena Vista 81-64 last Tuesday night at the Coliseum. The Vikings led all the way, except for a brief moment early in the second quarter.

Swanhorst scored 6 out of the first 8 points for Augie and at half time it was 37-32. It was nip and tuck the second half with Swanhorst keeping the Vikings in the game on his rebounding and shooting.

Augie then broke away from Buena Vista and led 65-49 with about 7 minutes left in the game. Two baskets by Simko and one by sophomore Jack Littfin helped the cause. From then on Augie had little trouble and increased their margin of victory to 17 points by the final buzzer.

The Augie lineup was shuffled throughout the game with a sophomore crew consisting of Bob Swanhorst, Chuck Wolsky and Dale Johannson adding a great deal to the Viking victory.

At times the Oikles showed promise on the inside shooting of L. M. Simko also grabbed his share of rebounds and played a good all-around game.

This was the first game for both teams and as it progressed, conditioning became a factor. Both Buena Vista and Augie lost their subs freely. There were many violations and a great number of bad passes. Shots were buried at times and many layup shots were missed.

Swanhorst led the Augie scorers with 13 points. Lamb had 12 points for the victors, with Schwartz and Simko adding eight apiece. Netleton, Ahrens, and Kramer led the visiting team's scoring, each scoring 14 points.

Girls' Volleyball Goes Into Third Week of Action with 14 Teams Directed by WRA

By KAREN KURVINK
WRA members are presently engaging in a series of organized volleyball games. These games, which are set up and played under the direction of volleyball manager Sheila Carter, are played on a 16-team, eight-rows basis every Monday evening.

Competing teams meet and play between 8:35 and 8:30 every Monday evening. A game is won when either team reaches the score of 15 or is ahead at the end of a five-minute time period. The winning team also wins by a two-point margin. The set is awarded to the winner of two out of three games.

Thus far, two out of the four games scheduled have been completed. Win-loss records were recorded as follows:

- Team I (Physical education majors and minors)--2-0
- Team II (French physical education majors and minors)--2-0
- Team III (Adelphics)--1-1
- Team IV (AWOCO)--0-1
- Team V (Third Floor East)--0-1

- Team VI (Mixed)--1-1
- Team VII (Mixed)--0-2
- Team VIII (First North Tove)--2-0
- Team IX (Fourth East)--1-0
- Team X (Mixed)--0-2
- Team XI (Mixed)--0-2
- Team XII (Alphas)--2-0
- Team XIII (Betas)--1-1
- Team XIV (Gammas)--0-2

This represents some sort of a record for the Augustana squad; four men is the greatest number of players ever selected to an ALL NCC team from Augustana.

This is the first game for both teams and as it progressed, conditioning became a factor. Both Buena Vista and Augie lost their subs freely. There were many violations and a great number of bad passes. Shots were buried at times and many lay-up shots were missed.

Swanhorst led the Augie scorers with 13 points. Lamb had 12 points for the victors, with Schwartz and Simko adding eight apiece. Netleton, Ahrens, and Kramer led the visiting team's scoring, each scoring 14 points.

The past week was "football banquet week" in Sioux Falls. Last Wednesday night, the Sioux Falls Quarterback Club met for a 6:15 p.m. banquet at which they honored the NCC conference champs as well as local high school gridiron clubs and the SFC Braves.

The program included the invocation and welcome, given by Augustana College President Dr. L. M. Stavig, followed by the introduction of all the teams present by Mr. Carleton B. Hig.

Former governor Joe Foss, who is now vice president of Raven industries in the city, introduced all the coaches present.

-Martin Speaker-

Speaker for the evening was the head football coach of the USAAF Academy in Colorado Springs, a man though he graduated from Augustana, has made the force of airpower felt in football ranks across the nation.—Mr. Ben S. Martin.

Martin is said to have been to Annapolis what Pete Dawson was to West Point: a phenomenon. What the Navy has to say of the man who is putting the strain on the football map is more difficult to say.

The benediction was pronounced by the Rev. Father Frank L. Sehl, the chaplain of Presentation Children's Home.

The banquet was planned by the WRA as a service to the college.

-Bowling, Anyone?

COMPLETE AND READY for January use are the bowling alleys in the new Commons Building. There are more bowling balls than this, so dust the bowling shoes over vacation and plan on getting in a few strikes on campus. If you get thirsty, the Huddle is just around the corner.
